Tours & Outreach

Take a peek at Wisconsin history!

The Museum is located on a small family farm dating from the 1850s.

Foster and inspire creativity while educating youth in time honored crafts.

- Tour of the Current Exhibit
- Closer Look at Quilting
- Tour of Farmstead

The Museum can also create an original program, just for your group.

For situations when it would be more convenient for the museum to come to you, the class, as opposed to taking a field trip to the Wisconsin Museum of Quilts & Fiber Arts, **we offer the Outreach Program.**
